

# NORTHERN EUROPE'S **LEADING** HRTECH COMMUNITY

---

## **WHO WE ARE**

HRtechX aim to address the challenges and opportunities for HR and HR Tech. HRtechX connects all parts of the HR value chain and thereby strives to provide the highest quality content related to the HR and HR Tech agenda, with focus on the interplay between humanity and technology.

## **OUR COMMUNITY**

We bring together the most influential executives, investors, and entrepreneurs to share their insights on how technology will shape the future of HR, as well as forge long lasting partnerships and client relationships

## **BEING A PART OF HRTECHX**

While being the largest forum in Northern Europe for HR professionals, HRtechX creates both local and global networks to drive growth for startups and scale-ups as well as for well-established companies.

Joining HRtechX 2021 is your chance to gain contact to the largest, most comprehensive audience of top CHROs, HR Professionals and HRtech Innovators in Northern Europe.

## Copenhagen

HRtechX will bring together +1500 CXO's and HR leaders together with +120 industry-leading speakers. The conference will be hosted at Clarion Hotel in May 2021.

## Stockholm
